Approved Paint Colors

05/09/2011

Attached is the new palette of approved colors for painting of homes moving forward. You'll notice that each Base Color has a complimentary Trim Color that may be used. Also there are two (2) additional Trim Colors (#7012-"Creamy" and #7005-"Pure White") which may be used with any of the Base Colors.

All colors are from Sherwin Williams. If you visit the Sherwin Williams location at 18600 NW 87 Avenue (in the Sedanos Plaza) and tell them you are from Marbella Park East, they can show you the actual colors and you will receive a 20% discount!

We strongly recommend that you visit the store to view the colors as it is difficult to provide an exact view digitally.
